

Convenience & Quality Delivered!

It is believed that incontinence affects up to 25 million Americans each year. Integrated Medical recognizes your need for quality products and carries a full line of incontinence products from First Quality Products, Inc. It is important to discuss treatment options with your health care provider and use superior performing bladder protection products like Prevail® while experiencing incontinence so that you can continue with your active lifestyle.

Protective Underwear - Heavy to Moderate Incontinence Protection

Prevail® Protective Underwear fits a wide range of wearers. Pulls on and off like regular underwear. The cloth-like outer fabric and ventilated waist panels are more comfortable for the wearer and reduce the risk of skin irritation.

PER-FIT® Underwear	Item #	Quantity/Case	Price/ Case
